

Camp Kit & Information

Communication between Child and Parent will only be in exceptional circumstances. This is to help prevent home sickness and miss information. Should you need to contact the camp leader then a home contact with contact details will always be on the digital camp form you complete.

All activities will be run in accordance with the Scout Association Rules and following the associations Policy, Organisation and Rules (P.O.R.) document.

No responsibility for personal equipment clothing or technology can be accepted by the Camp Leader or by The Group and The Scout Association DOES NOT provide any insurance in respect of such items.

Please do not send new or expensive items on camp with your child
The Camp Leader reserves the right to send home any participant if
necessary

Radios, Personal Stereos, Electronic Games or Mobile Phones are not
permitted on camp

Sweets, Food Items & Drinks must not be sent with your young person
to camp. We will provide ample food and sweets. This prevents sick-
ness non-eating of meals and safeguarding children with allergies.

****Food in tents attracts wildlife such as foxes****

All medication must be clearly named and placed in a plastic bag and handed to a leader. A medication form must be completed for every item of medication this is for over the counter and prescribed items. A medication form can be printed from the group website members area or from a leader when you hand over the medication.

Whilst we are away at camp or during an activity there may be times when a child becomes unwell. We must always do what is best for the child and this may mean we need to administer medication such as paracetamol, Calpol anti histamines etc.

*For further information on this policy please read
'Over the Counter Medication'*

This Document is on the group's website <http://www.7thdarlingtonseascouts.org.uk/members-resources/>

Please ensure all your child's details are correct on MyScout and on the camp form, this includes contact information.

If you are going away while your child is on camp with us, you must leave us contact details and the address for the location you are staying at. You must always ensure you are able to collect your child or be ready to receive them at home if we need to send them home for any reason.
