driver a torch on board and a warning triangle. There is a spare wheel under the bus and tools under the front passenger seats.

It is a limited vehicle and will not go over 62 MPH. On a three-lane motorway you cannot enter the fast lane think left keep left is the motto!

It is insured with Unity and has a section 19 disk displayed issued by The Scout Association. We have break down that will recover the vehicle and all passengers to Darlington.

It has a log book and incident book kept in the cab we will show you how to fill this in and keep accurate logs. It is easy to do but must be done as it is a legal requirement. All insurance details and break down detail are in this folder

We ask you to keep it clean and tidy and be honest if any damage occurs inside or out! Remember it is a piece of insured metal! the occupants are more important!

Payment is due immediately upon collection of vehicle and you must check and sign a pre-and post-damage sheet, diesel used must be replaced to same level as it was taken out with.
