

Weekly Sub Payments

Payment of Subs can be paid weekly as cash only at the beginning of the night or we can take a monthly payment by bank transfer. We have reviewed this and are trying to make it simpler for parents and will trial bank transfer for the next 5 months.

With many people having mobile banking apps or internet banking then to complete this transaction is a lot quicker and easier than it was previously and can be completed in less than a minute.

If you wish to continue paying weekly by cash, then that is completely acceptable, and nothing changes for you. If you decide to pay by bank transfer you do not need to inform us just make the first payment and we will see this in the account.

Below is the instruction on how to complete a bank transfer for your child's subs.

A Bank Transfer will cost you nothing to complete and nothing for the group, so no additional charges will be incurred. If you have more than one child in the group, then you must complete two separate transfers for each child, please do not add them together.

When completing the transfer, you will get the option to enter a reference. This reference will be made up of the first 3 letters of the section, then the child's first name then first letter of surname.

We cannot return money by bank transfer, so any overpayments or mistakes can only be refunded by cheque at the moment.

*****This system can only be used for subs and not for camps bonus ball or activities as we need cash to purchase food or pay for activities etc*****

We ask that parents only pay a month in advance **no more or less** as we need to keep it simple for accounting. Some months will be shorter due to holidays. Below is a payment schedule for each section for each month up until July 2018.

Unfortunately, we can't take Bank transfers weekly as the administration would be too much for our volunteers to check.

PLEASE KEEP THE LAST PAGE OF THIS DOCUMENT AS IT HOLDS IMPORTANT INFORMATION

- 1. AMOUNT TO PAY EACH MONTH**
- 2. REFERENCE TO USE WHEN YOU MAKE THE PAYMENT**
- 3. THE GROUPS BANK ACCOUNT SORT AND ACCOUNT NUMBERS**
