

Dear Parent and Carers.

Your young person has moved up sections and will need to transfer some badges from their previous uniform to their new uniform. The only badges that you need to move on are the blue backed staged badges and it is only the one with the highest number. Your young person may have for example nights away badges like the ones shown below. The only one you would take off the old uniform and transfer to the new one would be the one on the right that is the highest number being 5

This Chart shows all the different kinds of staged badges the easiest way to identify them is the blue background

						
Air Activities	Community Impact	Digital Citizen	Digital Maker	Emergency Aid	Hikes Away	Musician
						
Nautical Skills	Navigator	Nights Away	Paddle Sports	Sailing	Swimmer	Time on the Water

The other badges you will need to transfer is the highest number joining in award

The last badge will be depending on if your young person achieved this before they moved onto the next section. If they did then this award should be worn on the new uniform.
