

## Uniform

Uniform can be purchased from the District Scout Shop inside the District Scout Centre, Behind St. John's Church, Neasham Road, DL1 4AB. All your child will need is the below jumpers / shirt for the section they are in. The group supplies the neckerchief all badges and woggles and beret for the Scout section. Other optional uniform can be purchased from the shop such as branded T shirts belts and activity trousers etc which are of great quality and do look smart but are not a requirement.

The shop is open every Monday except bank and school holidays 6:30pm till 8:30pm and accepts Cash payments only. The shop is staffed by volunteers who will take the time to advise you on the uniform sizes and optional extras. It is best to take your young person with you for a fitting of the uniform and a changing room is available. We seriously advise to get uniform that is slightly too big as your young person has many years of growing yet to do!

Once your young person has decided they wish to stay with the group please visit the shop to purchase the correct item and we will then arrange with you to invest them into the group after they have learnt the Promise and Law.

Beaver Uniform £14.00

Cub Uniform £14.50

Sea Scout Uniform £24.00
