

Camp, Trips and Activities costing policy

Version 2 1st JANUARY 2023

We must always ensure we are costing camps and activities correctly and covering costs of camping at Raby and the use of the minibus.

Camp fees at Raby are £28. The breakdown below must be followed.

£12 Food for the camp.

£11 Raby & Transport fees to and from Darlington with a 60-mile allowance. This money is to go back to the group at the end of the camp.

£5 Activities for camp.

If you wish to do additional activities, then these must be calculated and any mileage over 30 then added to the camp fees for the camp. All additional activity costings must be sent to the GSL or AGSL(s) for approval.

Day trips will be charged at 50p per mile. If you are visiting an activity that is 50 miles from Darlington, then you would work out 100-mile round journey. This is then to be added to the price you charge for the trip also including any admission fees for the trip.

All costings to be approved by GSL or AGSL(s) for approval

Wednesday night activities. Each section has £40 per month to spend without prior authorisation. Any costings above this need approval from GSL or AGSL(s) PLEASE check first before buying items as we may already have them at the hall.

We will review all camps and amend costings as necessary to make the event affordable for all. We must ensure that we have a fee coming in to cover repairs insurances etc for Raby tents and the bus.
