

## Laptop & WIFI @ The Hall

Version 4 1<sup>st</sup> JANUARY 2023

The Group owns a laptop that is stored at the hall in the office. The laptop can be used to print, access OSM or any other use for the group.

The laptop at the hall can also be used with the projector, speakers, and screen in the hall or at a camp or activity. The pin to unlock the laptop is 1973

The Group has Internet connection at the hall for use with the laptop and other internet devices.

The password for the WIFI at the hall is Bellaandmax6652

Care must be taken if the laptop is moved to camps or activities to protect from theft or damage it can be transported in the same bag the projector is stored in. and must be taken back to the hall after use.

If you are unsure how to use the laptop or internet, please speak to Richard.
